THIS DOCUMENT RELATES TO ALL CASES

**PRETRIAL ORDER # 1**  
(Initial Conference and Case Management)

The court finds that the civil actions transferred to this court as part of this MDL merit special attention as complex litigation and **ORDERS:**

1. **APPLICABILITY OF ORDER---** Prior to the initial pretrial conference and the entry of a comprehensive order governing all further proceedings in this case, the provisions of this Order shall govern the practice and procedure in those actions that were transferred to this court by the Judicial Panel on Multi District Litigation (“Panel”) pursuant to its order of June 11, 2013, as well as all related actions originally filed, transferred to or removed to this court. This Order will also apply to any “tag-along actions” later filed in, removed to or transferred to this court.
2. **CONSOLIDATION---**The civil actions described in paragraph 1 of this Order are consolidated for pretrial purposes only. Any “tag-along” actions later filed in, removed to or transferred to this court, or directly filed in the Southern District of West Virginia, will automatically be consolidated with this action without the necessity of future motions or orders. This consolidation, however, does not constitute a determination that

the actions should be consolidated for trial, nor does it have the effect of making any entity a party to any action in which he, she or it has not been named, served or added in accordance with the Federal Rules of Civil Procedure.

3. DATE OF INITIAL CONFERENCE AND AGENDA FOR CONFERENCE---Matters relating to pretrial and discovery proceedings in these cases will be addressed at an initial pretrial conference to be held on **August 1, 2013 at 9:00 a.m.** in Judge Joseph R. Goodwin's courtroom, Room 7800, United States Courthouse, 300 Virginia St. East, Charleston, West Virginia. Counsel are expected to familiarize themselves with the Annotated Manual for Complex Litigation, Fourth ("MCL 4<sup>th</sup>") and be prepared at the conference to suggest procedures that will facilitate the expeditious, economical, and just resolution of this litigation. The items listed in MCL 4th Sections 22.6, 22.61, 22.62 and 22.63 shall, to the extent applicable, constitute a tentative agenda for the conference. Counsel shall confer and seek consensus to the extent possible with respect to the items on the agenda, including the naming of proper parties, filing master pleadings, a proposed discovery plan, and utilization of early case assessment. The court encourages the parties to review the court's website at [www.wvsd.uscourts.gov](http://www.wvsd.uscourts.gov) and the pertinent orders that have been entered in the five related MDLs assigned to the court (MDL 2187, MDL 2325, MDL 2326, MDL 2327 and MDL 2387), as well as the transcripts of previous status conferences in the above MDLs. If the parties have any suggestions as to the case management orders or additional agenda items, these should be emailed to the court's law clerk, Kate Fife, at [kate\\_fife@wvsd.uscourts.gov](mailto:kate_fife@wvsd.uscourts.gov) by **July 25, 2013**. **There will be no phone participation at this initial conference.**

4. POSITION STATEMENT AND NOTICE OF PENDING MOTIONS---The plaintiffs and the defendants shall submit to the court by **July 25, 2013**, a brief written statement indicating their preliminary understanding of the facts involved in the litigation and the critical factual and legal issues, as well as a list of all related cases pending in state or federal court, together with their current status, including any discovery taken to date, to the extent known. These statements will not be filed with the Clerk of the court, will not be binding, will not waive claims or defenses, and may not be offered in evidence against a party in later proceedings. **Each party is limited to one submission.** Each party shall submit a courtesy copy of their position statement to opposing counsel.

The parties' statements shall also include an attachment detailing motions pending in the member cases of this MDL at the time of their transfer to this court by the Panel. Each motion shall be identified by member case number and style, as well as by the document number assigned to the motion. Counsel shall also file this list with the Clerk's office as "Notice of Pending Motions" in 2:13-md-2440 under Other Documents > Cook Notice of Pending Motions. The Notice of Pending Motions filed in this MDL will serve as re-notice for resolution. The re-noticed motions will be considered pending as of the date of the filing of the Notice of Pending Motions.

5. APPEARANCE---Each party represented by counsel shall appear at the initial pretrial conference through his or her attorney, who will have primary responsibility for the party's interest in this litigation. Parties not represented by counsel must appear in person. To minimize costs and facilitate a manageable conference, parties with similar interests may agree, to the extent practicable, to have an attending attorney represent their interests at the conference. If a party designates an attorney to represent that party's

interest at the conference, the party will not be precluded from other representation during the litigation. Attendance at the conference will not waive objections to jurisdiction, venue, or service.

6. SERVICE---Prior to the initial pretrial conference, service of all papers shall be made on counsel of record appearing in these cases. The docket is the official record of the service list. Co-liaison counsel are responsible for assuring service of this order and all future documents on opposing *pro se* parties.
7. EXTENSION AND STAY---Each defendant is granted an extension of time for responding by motion or answer to the complaint(s) until a date to be set by this court. Pending the initial conference and further orders of this court, all outstanding discovery proceedings are stayed, and no further discovery shall be initiated.
8. PREVIOUS ORDERS---Any orders, including protective orders, previously entered by this court or any transferor court, shall remain in full effect unless modified by this court.
9. MASTER DOCKET FILE---Any pleading or paper shall be filed electronically according to this district's *Administrative Procedures for Electronic Case Filing* available at [www.wvsd.uscourts.gov](http://www.wvsd.uscourts.gov). The Clerk of the court will maintain a master docket case under the style "In Re: Cook Medical, Inc. Pelvic Repair System Products Liability Litigation" and the identification "MDL No. 2440." All papers filed in these actions shall bear the identification "MDL No. 2440." When a pleading is intended to be applicable to all actions, this shall be indicated by the words: "THIS DOCUMENT RELATES TO ALL CASES" and shall be filed electronically in 2:13-md-2440. When a pleading is intended to apply to less than all cases, this court's civil action number for each individual case to which the document(s) relate shall appear immediately after the words: "THIS

DOCUMENT RELATES TO . . . .” and shall be filed electronically in each member case to which the document(s) applies. The following is a sample of the pleading style:
