**AFFIDAVIT OF LYNN A. BAKER**

LYNN A. BAKER, being duly sworn, deposes and says:

1. I am a member of the Bars of the States of Texas (active) and Arizona (inactive) and of the United States Supreme Court. I am in good standing.

2. I hold the Frederick M. Baron Chair in Law at the University of Texas School of Law, where I have taught since 1997, and where I also serve as Co-Director of the Center on Lawyers, Civil Justice, and the Media. I have also been a professor at the University of Arizona College of Law (1992-1997), and have been a visiting professor at Columbia University Law School (1997) and at Rutgers (Camden) University Law School (1997). I began my academic career teaching at the University of Virginia School of Law from 1986 to 1992. Prior to that, I served as a law clerk to Judge Amalya L. Kearsse on the United States Court of Appeals for the Second Circuit in Manhattan (1985-86). I am a 1985 graduate of Yale Law School, where I served as an Article & Book Review Editor of the YALE LAW JOURNAL.

3. As a law professor, one of my principal academic interests has been ethical issues in group litigation and settlement, including issues surrounding the allocation of settlement proceeds. I regularly teach a survey course on Professional Responsibility, which includes substantial discussion of these issues. I also often teach a seminar (titled "Mega-settlements") which focuses on large-dollar, complex settlements, and which involves extended, in-depth

discussion of allocation issues in both mass tort and class action settings. I have frequently appeared as an invited speaker on these issues at symposia, conferences, and continuing legal education programs. My scholarly publications on these issues include: *I Cut, You Choose: The Role of Plaintiffs' Counsel in Allocating Settlement Proceeds*, 84 Va. L. Rev. 1465 (1998) (with Charles Silver); *Mass Lawsuits and the Aggregate Settlement Rule*, 32 Wake Forest L. Rev. 733 (1997) (with Charles Silver); and *The Aggregate Settlement Rule and Ideals of Client Service*, 41 S. TEX. L. REV. 227 (1999) (with Charles Silver). These publications have been cited by numerous commentators and courts, and in leading treatises including the ALI's PRINCIPLES OF AGGREGATE LITIGATION (2010).

4. I have served as an expert or consultant on ethical and/or allocation issues in dozens of large-dollar, large-group settlements, including the BP class action settlement in the U.S. District Court for the Eastern District of Louisiana, the \$4.5 billion nationwide Vioxx settlement in 2007, and the \$1.27 billion nationwide Fen-Phen class action settlement (Seventh Amendment) in 2006, numerous settlements involving various other pharmaceuticals and medical devices (including trans-vaginal mesh, Fosamax, NuvaRing, Risperdal, hip replacement products, Prozac, Yaz/Yasmin, hormone replacement therapy, Paxil, Avandia, Seroquel, Gadolinium, Rezulin, Zyprexa, Ortho Evra, Bextra, Celebrex), and many settlements involving asbestos, silica, MTBE, and other toxins. I have served as an expert in various settlements in connection with *In re WorldCom, Inc. Securities Litigation*, and in connection with class action settlements in twelve states involving alleged wage and hour violations by Wal-Mart.

5. I previously testified in the United States District Court for the Middle District of Pennsylvania as an expert regarding the fairness and reasonableness of the \$17.75 million settlement fund allocation plan in connection with the class settlement, involving more than

3,000 class members, with the Mericle Defendants, approved by that Court on December 14, 2012. See Wallace v. Powell, 288 F.R.D. 347, 371 (M.D. Pa. 2012). See also Wallace v. Powell, 301 F.R.D. 144, 163 (M.D. Pa. 2014) (related \$2.5 million class settlement with the Provider Defendants, in which I provided an expert report regarding the fairness and reasonableness of the settlement fund allocation plan).

6. I have thoroughly familiarized myself with the issues involved in the case captioned above, and as a result of my knowledge of that case, I can attest and affirm that I am aware of no grounds for disqualification that would prevent me from serving as a Special Master in the above captioned matter. I have reviewed the pleadings, medical information and scientific information pertaining to mesh cases generally and specifically as it relates to the litigation involving Covidien manufactured products. I will use the information gathered and my experience in performing my duties as Special Master.
