

**IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA
CHARLESTON DIVISION**

IN RE: C. R. BARD, INC.,
PELVIC REPAIR SYSTEM PRODUCTS LIABILITY LITIGATION

MDL No. 2187

THIS DOCUMENT RELATES TO ALL CASES

**PRETRIAL ORDER # 73
(AGREED ORDER RE: DISMISSAL OF ENDO ENTITIES IN ALL CASES)**

Upon request and with the agreement of the defendants Endo Pharmaceuticals Inc., American Medical Systems Holdings, Inc., and Endo Health Solutions Inc. (collectively referred to as the “Endo Entities”), Defendant American Medical Systems, Inc. (“AMS”) and co-lead plaintiffs’ counsel in AMS, co-coordinating co-lead counsel for plaintiffs, the plaintiffs’ executive committee and the co-leads in MDLs 2325, 2326, 2327 and 2387, **IT IS ORDERED** as follows:

1. As to cases pending as of the entry of this order against the Endo Entities¹ in MDLs 2187, 2325, 2326, 2327, and 2387, whether filed directly or transferred, all claims pending against the Endo Entities (as defined above and in Exhibit 1) will be dismissed without prejudice. The Clerk is instructed to terminate the Endo Entities (as defined above and in Exhibit 1) in each pending member case in which such entities are named.

¹Parties in this and the other MDLs have named the Endo Entities in variations other than those named above. Exhibit 1 contains the current list of variations for the Endo Entities, which parties the court considers as Endo Entities. Reference in this order to “Endo Entities” includes the entities listed in Exhibit 1. To the extent new parties are named after the entry of this order that may be considered Endo Entities, the court will amend Exhibit 1.

2. The Endo Entities are **DISMISSED** from the Master Complaint in the AMS MDL without prejudice.

3. As to cases directly filed in the Southern District after the entry of this order, the Short Form and Amended Short Form Complaints will be amended to remove the Endo Entities and effective immediately, the Endo Entities shall not be named by Short Form or Amended Short Form Complaint.

4. As to cases transferred by the Judicial Panel on Multidistrict Litigation after the entry of this order, for any plaintiff(s) that name the Endo Entities in MDLs 2187, 2325, 2326, 2327, and 2387, the court will, upon notification by AMS, enter a show cause order.

5. If plaintiffs seek to add any of the Endo Entities prior to trial in an MDL action or in a state court action that has been remanded from the MDL, the Endo Entities may not object on the basis of timeliness or the statute of limitations unless the same timeliness or statute of limitations defense exists for the existing defendants in the case.

6. AMS's responses to plaintiffs' discovery requests in MDLs 2187, 2325, 2326, 2327, and 2387 shall include all responsive, non-privileged documents and information in the possession or control of each of the Endo Entities;

7. Notwithstanding the provisions of Paragraph 6 above, discovery regarding the financial worth of any Endo Entity is reserved until the scope of such discovery, if any, is determined by a trial court at the appropriate time. The Endo Entities may not object to the production of such information on the basis that any such entity is not a party to the lawsuit; however, any and all other objections are reserved.

8. AMS's counsel shall accept service for a subpoena to any witness in the employ or control of Endo Entities, or who will be represented or given advice by counsel retained by AMS or the Endo Entities.

9. Endo Health, directly or through an Endo Entity, will stand in the shoes of AMS solely for the purpose of making a financial payment and/or satisfying any judgment against AMS in the event that, for any reason whatsoever, AMS is financially unable to satisfy any final judgment against AMS and/or to satisfy any financial obligation agreed to by AMS pursuant to the terms of any settlement agreement to which AMS is a party. Absent a need generated by a motion or proceeding to enforce any obligation of any of the Endo entities or AMS pursuant to this order, no discovery relating to the payment of any final judgment or financial obligation described in this order shall be permitted in any lawsuit or proceeding subject to this order. Plaintiffs may not seek payment of any final judgment or financial obligation described in this order from the Endo Entities except as expressly provided herein.

10. Endo Health, directly or by causing another Endo Entity to make such payment, shall satisfy any final judgment and/or financial obligation it undertakes to satisfy pursuant to this order as if any of the Endo Entities were themselves a party to such action and without the need for the commencement of any enforcement proceedings. Notwithstanding any dispute that may arise as between or among the Endo Entities and AMS, or AMS and its insurers, relating to the subject matter of this order, this court shall have the right to enter a final judgment against Endo Health in the event of a failure on the part of AMS to satisfy said judgment or financial obligation pursuant to a settlement agreement for any reason within 30 days from the time the judgment becomes final or the financial obligation for payment pursuant to a settlement agreement is due and owing.

11. The Endo Entities may not object to the use of the financial worth of an Endo Entity on the basis that such entity is not a party to the lawsuit but reserve all other objections.

12. Counsel of record for plaintiffs in the MDL proceedings and the Endo Entities shall execute this type of agreement with respect to any state court actions raising similar claims, to the extent counsel for plaintiffs are currently counsel of record in such state court proceedings.

13. Nothing herein shall be construed as an admission that any of the Endo Entities are a proper party to any lawsuit, that the Endo Entities have ever or will ever assume[d] any of AMS's liability, that the Endo Entities stand in the shoes of AMS's insurers, or that discovery relating to the Endo Entities is appropriate, relevant, or admissible in any lawsuit. Nothing in this paragraph shall be construed to alter or change any of the obligations created by this order in paragraphs 1-17 herein.

14. Nothing herein shall be construed to relieve any insurers of AMS of their obligations to AMS, nor AMS of any obligations to the Endo Entities. AMS expressly preserves its rights to the full extent of its insurance coverage notwithstanding this order. The Endo Entities expressly reserve the right to seek reimbursement from AMS to the extent of any proceeds that AMS receives from its insurers.

15. The Parties reserve any and all objections not otherwise expressly limited by this order.

16. The Endo Entities are subject to the personal jurisdiction of this court for entry and enforcement of this order.

17. Any cases filed in this MDL subsequent to the date of this order shall be subject to this order.

The court **DIRECTS** the Clerk to file a copy of this order in 2:10-md-2187 and it shall apply to each member related case previously transferred to, removed to, or filed in this district, which includes counsel in all member cases up to and including civil action number 2:13-cv-0 6326. In cases subsequently filed in this district, a copy of the most recent pretrial order will be provided by the Clerk to counsel appearing in each new action at the time of filing of the complaint. In cases subsequently removed or transferred to this court, a copy of the most recent pretrial order will be provided by the Clerk to counsel appearing in each new action upon removal or transfer. It shall be the responsibility of the parties to review and abide by all pretrial orders previously entered by the court. The orders may be accessed through the CM/ECF system or the court's website at www.wvsc.uscourts.gov.
