**PRETRIAL ORDER # 192  
(ORDER APPOINTING RANDI S. ELLIS AS SETTLEMENT MASTER  
FOR PRIVATE SETTLEMENT AGREEMENTS BETWEEN BOSTON SCIENTIFIC  
CORP. AND CERTAIN PLAINTIFFS' COUNSEL)**

Childers Schlueter & Smith (collectively, "Plaintiffs' Counsel") has entered into a separate Confidential Settlement Agreement (the "Settlement Agreement") with Boston Scientific Corp. and related entities defined by agreement as "Boston Scientific" to resolve the claims related to the implantation of Boston Scientific Pelvic Mesh Products (as defined in the Settlement Agreement). Under the provisions of the Settlement Agreement, Plaintiffs' Counsel has agreed to seek the approval of this Court to appoint a Settlement Master to perform certain defined functions related to the administration and implementation of the Settlement Agreement. *See* Plfs.' Mot. [ECF No. 6453]. Plaintiffs' Counsel believes that Randi S. Ellis is well-qualified to perform these and other functions discussed below.

Accordingly, Plaintiffs' Counsel request, pursuant to the Court's inherent case management powers, the appointment of Randi S. Ellis to assist in the administration and implementation of their settlement with Ethicon, with the authority to:

- Determine that the calculation, allocation, division and distribution of settlement payments among the claimants pursuant to the terms of the Settlement Agreement provides for fair and reasonable compensation for each client based on the facts and

circumstances of this litigation, including the risk to all parties of litigation, the cost, the time delay, the medical evidence, the science, the compensation circumstances, and the inherent risk of litigation generally;

- Serve as arbitrator in final and binding arbitration for any insurance companies or other third-parties who agree in writing with Plaintiffs' Counsel to submit any disputes regarding whether or not health care coverage and reimbursement claims fall within the scope of the litigation and therefore subject to insurance liens or subrogation rights, and if so, the amount of such liens under terms of the applicable agreement between counsel and the insurer;
- Serve as a mediator of claims if jointly requested by Plaintiffs' Counsel and Boston Scientific; and
- As agreed by Plaintiffs' Counsel and their clients, serve as the final and binding arbitrator on any and all Appeals asserted by claimants to the settlement allocation.

Boston Scientific does not oppose Plaintiffs' Counsel's request. The Court, pursuant to its inherent authority, and having considered the request, and cognizant of the important public policy of encouraging settlement among litigating parties, hereby issues the following Order.

**IT IS ORDERED THAT:**

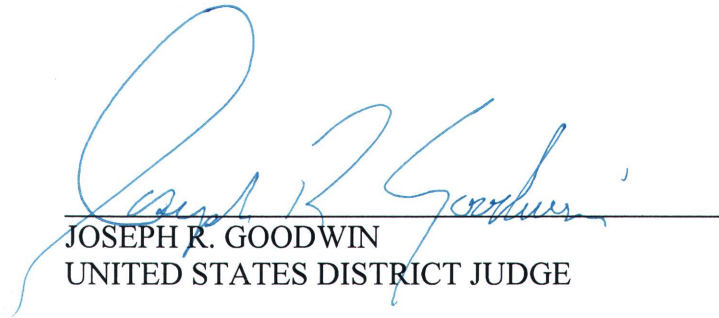

1. Randi S. Ellis, Randi S. Ellis, LLC, (7515 Jefferson Highway, Suite 94, Baton Rouge, Louisiana 70806), is hereby appointed as the Settlement Master for the administration of the settlement reached between Plaintiffs' Counsel and Boston Scientific, related to the implantation of Boston Scientific Pelvic Mesh Products (as defined in the Settlement Agreement).

2. The duties of the Settlement Master shall be as set forth in the confidential Settlement Agreement entered into between Plaintiffs' Counsel and Boston Scientific.
3. In furtherance of the fair and efficient administration and implantation of the settlements, the Settlement Master may have *ex parte* communications with the parties to the Settlement Agreement, Plaintiffs' Counsel and their clients, Boston Scientific and its counsel, and such *ex parte* communications shall not be deemed to have waived any attorney-client privileges.
4. The Settlement Master shall be compensated privately as specified respectively in the Settlement Agreement or by agreement with Plaintiffs' Counsel.
5. Subject to approval and Order of the Court, any firm settling claims against Boston Scientific related to its pelvic repair system products may engage the Settlement Master to perform the duties as set forth in that party's settlement agreement. When so approved by the Court, this Order shall apply.
6. An affidavit by the Settlement Master has been submitted and is attached as Exhibit A to plaintiffs' Motion [ECF No. 6453-1].
7. The Settlement Master shall report to the Court as requested by the Court.

The Court **DIRECTS** the Clerk to file a copy of this order in 2:12-md-02326 and it shall apply to each member related case previously transferred to, removed to, or filed in this district, where applicable, which includes counsel in all member cases up to and including civil action number 2:18-cv-01205. It shall be the responsibility of the parties to review and abide by all pretrial orders previously entered by the court. The orders may be accessed

through the CM/ECF system or the court's website at [www.wvsd.uscourts.gov](http://www.wvsd.uscourts.gov).
